

February 18, 2019

The mission of MGALERT is to end human trafficking both locally and globally through community education, victim advocacy, and legal advocacy. Since many victims are from another city or state, one of the services MGALERT provides is funding transportation home or a safe place to stay for human trafficking victims that are cooperating with law enforcement to apprehend their trafficker. Donations help the victims get back to their home and support system as quickly as possible; thereby reducing the trauma they are suffering.

Your donation to our 501(c)(3) non-profit organization is tax deductible. Our Tax ID Number is 27-1656645.

Thank you for choosing MGALERT as your charity this year at the Savannah Diocesan Council of Catholic Women Annual Convention. We are truly grateful for your donation and commitment to the fight against human trafficking.

Sincerely,

Christine Watson
